

Web Hosting

Overview

iWorld offers affordable, easy-to-use web hosting,

Domain Name Registration

and E-Mail services, for all types of individuals and businesses - large or small.

We offer

Hosting Plans

ranging from a 50MB basic site to a massive 20GB of storage and 400GB bandwidth plans and multi domain plans. We're committed to customer service. You'll get the best available support.

All Hosting accounts come equipped with an industry leading Control Panel with

Auto Installer

for 36 powerful applications.

We also offer a

99.9% uptime guarantee. In the event that your web site is not available for more than 99.9% during a calendar month, we will credit you between 10% & 50% of the following month's service fee !
